

FOUR SEASONS FILTERS, LLC

Reference: Introduction to the company Four Seasons Filters, LLC and it's services

To whomsoever it may concern,

The purpose of this letter is to introduce our company Four Seasons Filters, which is an innovative leader in the field of air quality and filter services since 2006. We service many local organizations and continue to have a good working relation with all of them, with zero complaints from our clients. As a company we offer you products and services that are of the highest quality and at extremely competitive rates.

Our Antimicrobial polyester filter media is our primary product that offers superior performance for less. In most cases when combined with our corporate change out service can cost less than you currently pay just for filters.

We would like the opportunity to show you our product and provide you with a free quote. We would also like to thank you for the time you have taken to go over this letter.

Thanking you,

Robert A. St. John
